THE 1958 TIGER

MRS. ALIDA HARMS

A DEDICATION

This epitome is dedicated to Mrs. Alida Harms who passed away during the school year of 1957-58. Although the graduating class realizes it is unnecessary to mention the greatness and wonderful qualities of Mrs. Harms we like to bring back in our memories a person who was in our opinion an outstanding teacher and advisor.

We the class of 1958 wish to show our deep appreciation for the unselfish help Mrs. Harms demonstrated not only in matters of school but also in those of personal nature.

We are certain that the influence of her strong personality will help us to give our lives a positive direction.
